## Seen & Heard Around MURRAY

Fellow said that "when LBJ assumed the presidency, he said he came to us with a heavy heart. Now, after four years, his heart is light and ours are heavy".

Kentucky Fried Chicken last year had a volume of \$208 million and that's not chicken feed.

Work on the widening of the street in front of Murray High progressed rapidly. They have to put in some more gravel and trowel it down good before they pave it.

Overheard: "remember when a woman used to make one husband last a lifetime".

If you throw away an old ice box or refrigerator, be sure and take off the door.

Lifted: "Don't bore your friends with your troubles. Tell them to your enemies — who'll be glad to hear about them". Of course you don't get much sympathy this way.

We enjoyed the show on TV the other night entitled "Exorcisable Yankees". It was introduced by Joe Garagiola and concerned a fellow who muttered under his breath that he would give his soul to beat the Yankees. Up pops the devil who accommodates him. Right good entertainment.

We tried to watch the TV a while on Labor Day, but we just couldn't take it. It was on a Monday and all that we could find was several soap operas. We turned them off because we have enough troubles of our own. We have never seen so many troubles compounded, as have the soap operas.

Elm trees show the effects of the intensity of the season, more than most trees. So do the Scaly Bark Hickories.

Porter Waggoner's show was rated as the best country music show. We usually enjoy Porter, pretty Miss Norma Jean and old Spec.

We tried that business of separating bacon slices with a plastic spatula and it works. Even did it on frozen bacon and it worked. Fellow learns something every day.

Enjoyable dinner last night when the Calloway County High teachers met out at the Holiday Inn. Just a get acquainted party and they brought along husbands or wives as the case might be. Superintendent Jeffrey is very proud of the faculty he now has on the high school staff.

He has seen the county system grow in quality down through the years, until today it stands even with most any school.

Calloway County as a whole can be proud of its high school and its faculty.

Autumn begins two weeks from today.

For some reason it seems to have already started.

## Department Of Woman's Club To Support Proposal

The Kappa Department of the Murray Woman's Club announced its support of a new pediatric wing in the Murray-Calloway County Hospital, at its first regular meeting, Tuesday, September 5 at 6:30 p. m.

To kick off this campaign the group heard an inspiring talk by Bob Wilson, Hospital Administrator. Mr. Wilson outlined some of the problems and rewards of specialized service.

Mr. Wilson feels that in having a civic group involved in hospital service will be a great step community wide.

Proceeds from the recent Children's Fundathon show and other fund raising projects will benefit this endeavor.

A committee with Mrs. Charles Mercer serving as chairman will meet further with Mr. Wilson to decide upon the first step to be taken.

The Kappa Department feels this is a much needed project for Calloway County and will be of interest to everyone.

## Ford Strike Could Last For Month

By DAVID W. COTTE

DETROIT 679 — The nationwide strike by the United Auto Workers against the Ford Motor Co. — already in its third day — could last "at least another month," a top UAW official said Friday.

Meaningful negotiations to replace a contract which expired at midnight last Wednesday will not begin until Ford begins to run out of its 1968 models, said Emil Maszy, UAW secretary-treasurer.

Negotiations between the UAW and Ford broke off as the strike deadline approached late Wednesday, sending 160,000 Ford workers onto the picket lines in 25 states.

Only two Ford plants, in Mount Clemens, Mich., have continued operations.

Both sides have agreed to return to the table Monday, but little progress was expected.

Maszy said Ford will have no incentive to begin any serious bargaining on a settlement until its estimated 93,000 1968 models are sold out of dealer showrooms and a stock of 196,000 of the 1967 models dwindle.

Introduction of the new models is scheduled for Sept. 24.

He said continued production of 1968 models by General Motors Corp. and Chrysler Corp. will be "an incentive for Ford to get going" on bargaining.

The effect of the strike is hitting the firms around the country which supply Ford with thousands of items. The Buick Co., which supplies frames to Ford, has announced layoffs for 1,000 workers at a Philadelphia plant and forecast layoffs in two plants in Michigan.

Mid or no mid, I'm coming through seems to be the theme here as Don Shelton moves the ball behind great interceptors. An unidentified player on the ground behind Shelton takes out a Grove Blue Devil and in the foreground fullback Terry Hart takes out another. Other Tigers open the way for the runner. This muddy encounter took place last night at Holland Stadium as the Murray High Tigers won over Grove High of Paris, Tennessee 26 to 21.

## Letter To The Editor

Sir:

I was unable to find out the correct name of your paper. I want to report on the activities of one of your citizens. It was a bit of use in as a letter to the editor, or in some other way, I would appreciate a copy of the paper.

One of your citizens, Dr. C. E. Parker, dentist, of 201 North 8th Street, recently completed a trip to our island. He came at his own expense and working through our mission and churches in the Western area of the island, conducted seven dental clinics.

He was able to extract more than 250 teeth and fill another 160 plus. He saw a total of more than 400 people.

Dr. Parker did this as part of his witness to Puerto Rico, of the concern he has for the world. Our Baptist work in Puerto Rico is only 10 years old, and we surely express our gratitude to the City of Murray, Kentucky for lending to one of their citizens.

You people can be grateful for having such outstanding citizens.

I understand that this is the sixth summer he has done this type of service.

Thank you,

E. McKinney Adams  
Area Missionary

## Stubborn Blue Devils Give Murray High Hard Way To Go

The Murray High Tigers, fresh from an easy victory last Friday over Crittenden County, got almost more than they bargained for last night when a strong Blue Devil team from Paris, Tennessee journeyed to Murray for a contest at Ty Holland Stadium.

The Tigers held off two Grove Blue Devil rallies to win the game after coming from behind to tie the score in the second quarter. Paris scored first in the muddy contest which threatened at times to obliterate the identification of the players.

Barry Barnett rifled a pass to Kenny Paschall for a 26 yard play and a touchdown with 2:16 left in the first quarter.

The Tigers finally got organized and put together an offense that was to win the game. With 4:37 left in the first half the Tigers pushed over a TD with Terry Hart bulging his way for the 15 yards.

The TD lifted the Tiger spirits and as the quarter was fast closing to a close, an alert Bobby Rutledge picked up a Blue Devil fumble on the Tiger 15 yard line and raced through the mud for an 87 yard touchdown.

As the second half opened, Don Shelton broke loose on the first play and went 60 yards for the third Murray score.

Paris came right back in this third quarter and slammed out their second score with Bill Kriesky going the final 40 yards for the TD. The game was tied 13-13 in the third quarter.

The final Tiger score came late in the third quarter as Murray called on Terry Hart once again to slam his way from the 11 yard line to the end zone.

Gish kicked two extra points for Murray and two kicks failed. Grove High marked up their last score with seven seconds left with a Barnett to Kriesky pass of ten yards.

The Tigers posted eleven first downs and gained 273 yards on the ground in 39 attempts. Paris

got fifteen first downs and 130 yards on the ground. Murray completed only one of three passes attempted, while the Blue Devils picked up 156 yards in the air, completing nine of eighteen.

Speedy back Don Shelton, behind excellent blocking, racked up 148 yards from scrimmage last night. The victory for Murray High last night gives them a clean slate thus far in the season. Next Friday Murray High will meet the Mayfield Cardinals, in what is expected to be a real test.

This game will be played at Mayfield.

ROBERT W. HUIE

**WORDS** tend to come so slowly as we try to express our thoughts on the passing of Rob Hui.

Here was a young man, rich in experience, studious, responsible, and so conscious of his job and all that it entailed. He left this earth quickly, leaving behind a stunned family and a host of friends, and co-workers.

Few young men held the status enjoyed by Rob Hui, and few commanded the respect, prestige and esteem in which he was held.

One can never answer the question of "why?". One can only accept what has happened, and pray for the grace to bear the burden.

We extend our sincere sympathy to his wife, his mother, brothers and sisters.

In 1919, almost the entire Boston police force went out on strike, demanding recognition of a new union. It ended on Sept. 12.

But Gov. Coolidge ruled that strike.

## The Unnoticed Tigers Are Still Making Their Bid For AL Flag

By VITO STELLINO

UPI Sports Writer

The Detroit Tigers are still alive and hiding in the midst of the American pennant scramble.

The Tigers, who've gone almost unnoticed during much of the frenzied pennant race and have seemed on the verge of falling out of contention several times, crept into a tie for first place Friday night for the first time since June 11.

Det. has been the only contender who hasn't been in first place in the last month. The team has been hanging on the fringes of the race in fourth place most of the time.

The attention has been directed mostly at Minnesota—the club usually considered the team to beat; Boston, the sentimental favorite around the nation for its sudden rise and Chicago, the team most everyone is rooting against because of the antics of its manager, Edie Stanky.

Minnesota best Baltimore 7-2 in the first game of a doubleheader on Jim Merritt's six-inning but a muffed-up sacrifice bunt led to a four-run second inning which

gave Baltimore a 5-3 victory in the second game.

Billy Monbouquette, with relief help from Joe Verbanic, gave the New York Yankees a 5-2 victory over his old Boston teammates and joined the Red Sox' chance had to take over first because of the Minnesota loss.

The Tigers' Mickey Lolich blanked the White Sox until the eighth when singles by Tommy McCraw, Tommie Agee and Ken Boyer produced Chicago's only run. But Fred Lasher held the White Sox hitless the final 1-3 innings to preserve the victory.

Honors by Ed Matthews and Sam Moonstrup produced two Tiger runs and the other two were unearned.

**Sacrifice Play Crucial**

The key play of the Minnesota game came in the second inning when with one on and one out, winning pitcher Tom Phoebus laid down a bunt. First baseman Harmon Killebrew hesitated after fielding it and then threw too late to second. The Orioles then went on to get three more runs to cap a four-run rally.

Monbouquette, traded away by the Red Sox in 1965 to the Tigers for utility players George Thomas and George Smith and picked up by the Yankees when the Tigers released him earlier in the year, went 6 1-3 innings and touched off two rallies with singles besides scoring the winning run.

Elsewhere in the American League, Cleveland beat Kansas City 4-3 and California blanked Washington 4-0.

In the National League, Pittsburgh nipped St. Louis 4-3 in 10 innings, Los Angeles edged Houston 4-2, San Francisco nipped Chicago 4-3, Cincinnati beat New York 3-0 but lost the second game 5-4 and Philadelphia turned back Atlanta 4-1.

The female mosquito spreads more distress throughout the world than any other insect, says the National Geographic.

Most pavilions at Montreal's Expo 67 will feature free entertainment.

A mosquito's life span ranges from several weeks to a year, says the National Geographic.

**DEGREE OF PREGNANCY** — Mrs. Dorothy Hill holds her year-old son in Pittsburgh, where she and school board officials are at odds over her firing from her teaching job. She received a one-year suspension to get a master's degree in music education, and the board thinks she knew all along she was going to have a baby.

# An investment in Your Future ...ATTEND CHURCH

## for the Days AHEAD

Even now trees are being felled, cords of wood cut, in preparation for cold winter days which are sure to come. Woodcutters are preparing for the days ahead, to bring comfort against the cold.

To prepare for our future "cold days," periods of sadness, times of bereavement, and times when we are tempest tossed, begin now to attend church regularly and let God, His Church, and His people help you to meet any situation in life.

*"Blessed be God, even the Father of our Lord Jesus Christ, the father of mercies, and the God of all comfort; who comforteth us in all our tribulation, that we may be able to comfort them which are in any trouble, by the comfort wherewith we ourselves are comforted of God." 2 Cor. 1:3, 4.*

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

### Miss Jimmie Joan Bennett Exchanges Vows With Fred Lee Wilson In Ceremony At The First Baptist Church, Houston, Texas

Mrs. Fred Lee Wilson

Miss Jimmie Joan Bennett, daughter of Mr. and Mrs. James W. Bennett of Big Spring, Texas, exchanged wedding vows with Fred Lee Wilson, Ph.D., son of Mr. and Mrs. Greene O. Wilson of Murray, on Saturday, September 2.

Dr. Robert L. Smith, pastor of the First Baptist Church, Houston, Texas, performed the impressive double ring ceremony at six o'clock in the evening in the James B. Leavelle Chapel of the church in Houston.

The wedding ceremony was a departure from the ceremony written and used July 3, 1966, by Mr. and Mrs. Paul Griffin Jones III of Fort Worth, Texas. It was a non-traditional ceremony incorporating responsive readings between the minister and the congregation; more in the nature of worship service with the couple exchanging vows in the four-part ceremony.

For the wedding scene the altar was decorated with a bouquet of yellow roses, bronze daisy mums, and English ivy flanked by two groups of three gold candles on large gold blocks.

Low Zeller was the organist and played "Trumpet Tune in D" by Purcell for the processional and "Hyfridol" arranged by Vaughn-Williams for the recessional. The congregational hymn was "O Perfect Love" by Gurney.

The bride, given in marriage by her father, was lovely in her full length wedding gown of white Japanese silk brocade fashioned with a white peal de rose bodice, empire waistline and elbow-length bell-shaped sleeves. Her shoulder length silk illusion veil was attached to a pearl tiara borrowed from Mrs. E. Ralph Gibson.

Something blue was a garter, the new was her dress, and the something old was her mother's something ring. Her sixpence in her shoe was a gift from the groom.

She carried a semi-cascade style bouquet of a yellow orchid, white daisies, and white eucalyptus.

Mrs. Billy L. Sexton of Big Spring, Texas, was the matron of honor and Mrs. Ronald D. Eberhardt of Midwest City, Oklahoma, was the bridesmaid. Both are sisters of the bride.

They wore ivy green peas de sole street length dresses designed with empire waists and elbow length bell sleeves. Their shoes matched the shade of their dresses and they carried nosegays of yellow roses and eucalyptus.

The best man was Charles A. Bartlett, Sr., of Washington, D. C., and the usher was Charles A. Bartlett, Jr., also of Washington, D. C.

The bride's cousin, Miss Becky Hallmark, daughter of Mr. and Mrs. Jerry Hallmark of Abilene, Texas, was the flower girl. The ring bearer was the bride's cousin, Erick Nilsen, nephew of the bride, son of Mrs. Billy Sexton of Big Spring, Texas, was the ring bearer. He wore a white dinner jacket matching the other male members of the wedding party.

The bride's mother chose to wear a butte knit suit of soft beige with black accessories and a beige or-

child. The groom's mother wore a pale green knit dress with dark green accessories and her corsage was a white pink threaded orchid.

After the wedding the reception was held in the lower auditorium of the church with the bride and groom in the receiving line.

The bride's table was beautifully decorated in the color scheme of green and yellow with the silver punch bowl and crystal cups. The bride couple drank punch out of silver goblets borrowed from Mr. and Mrs. E. Ralph Gibson of Houston, Texas.

Misses Patti Hicks, Roma Rainey, and Kay Tercel served the punch and the white three tiered pedestal wedding cake decorated with yellow ribbons and green leaves and topped with pale ivory wedding bells.

The register was kept by Mrs. Frank Clark.

Following the reception the couple left for a wedding trip to Acapulco and Mexico City, Mexico, with the bride wearing a cream and beige Alakine suit with matching accessories and the yellow orchid from her bouquet.

Mr. and Mrs. Wilson are at home at 6606 Chetwood, Apt. 200, Houston, Texas 77055.

The bride graduated from Big Spring High School, attended Howard County Junior College, and received her B. A. from Texas Tech College, Lubbock, Texas. She is a member of the Beta Sigma Sigma Delta Phi, Le Cercle Français, Tech Band, and Der Liederkreis. She received her BDM from Southeastern Baptist Theological Seminary, Fort Worth, Texas, where she was a member of the Seminary Quartet and SW Singers. She is employed as educational secretary of the First Baptist Church, Houston.

Mr. Wilson received his B. A. from Murray State University and his Ph. D. in nuclear physics from the University of Kansas, Lawrence. He is a member of the American Physical Society and the Society for Advancement of Science. He is associated with the Easo Production Research Co., Houston, and is an interpreter for the deaf at the First Baptist Church there.

Out of town guests were Miss Sue Coffman, Mr. and Mrs. Paul G. Jones, Fort Worth, Texas; Mrs. Jerry Hallmark, Abilene, Texas; Miss Janet Rich, Mr. and Mrs. Stan Hill, Marion, Ill.; Mrs. Charles A. Bartlett and Sandy of Washington, D. C.; Mrs. Norman Cioke, Nashville, Tenn.; Mr. and Mrs. Kreene O. Wilson, Murray.

Rehearsal Dinner

The groom's parents, Mr. and Mrs. Greene O. Wilson of Murray, entertained members of the wedding party and out of town guests with a buffet rehearsal dinner on the roof garden of the First Baptist Church, Houston, Texas, on Friday evening, September 1.

An arrangement of yellow roses and fall mums was the centerpiece for the buffet table. Yellow roses and white wedding bells adorned the U-shaped table.

The bride couple presented their attendants with gifts.

Covers were laid for thirty persons.

Practical Joke  
—or a Gift

By Abigail Van Buren

DEAR ABBY: My daughter was married last Saturday at a beautiful large church wedding, and she and her husband are now away on her honeymoon trip. She asked me to open any wedding gifts that came in her absence so I have. Today she received a big gift-wrapped box filled with baby things, disposable diapers, rattles, baby powder, etc.

If this is someone's idea of a joke, I fail to see the humor in it. What is your opinion of such a gift to a bride?

HER MOTHER

DEAR MOTHER: If she's not pregnant, it's a practical joke. If she is, it's a practical gift.

DEAR ABBY: Why are men so inconsiderate? My husband asks me out for dinner with an hour's notice, and I always have to say no. If he had asked me in the morning I could have had my hair done so I'd look nice for dinner.

He bought expensive tickets to a sports event and asked me to go the night before. Since he usually works on Saturdays I had the day pretty well outlined and there are some things you can't change the last minute, so I told him to invite a fellow. He was annoyed.

He used to ask me for a date in plenty of time before we were married. Why not now? He said if I really loved him I'd drop everything just to be with him. I DO love him, but I'd like to train him to know he can't get me on an hour's notice. Am I wrong?

"GIMMY"

DEAR "GIMMY": Lady, you are crying "famine" with a loaf of bread under each arm. If you don't have a portable hair dryer, buy one and put your hair up at the last minute. Or buy a few turbans for those days when your hair needs doing. Rearrange your schedule, but always be available, or you're apt to "train" him to quit asking you and to make other last-minute arrangements.

DEAR ABBY: I will be married in a couple of weeks. My fiance, Gary, and I get along very well, except for one detail. Ironing!

I have an exceptionally good job, and Gary wants me to con-

tinued working after we are married so we can put a substantial down-payment on a house. This is fine with me, but I feel as long as I will be working, I should at least be entitled to send Gary's shirts out to be ironed. He wears 6 white shirts a week and that's a lot of ironing.

Gary thinks nothing of spending \$5 a week to bowl with the boys, but he thinks it's ridiculous for me to spend 15 cents a shirt to have them ironed, when I can iron them myself on the night he bowls.

On that night I want some leisure time of my own. Am I wrong to feel this way? FLORENCE

DEAR FLORENCE: No! Stand pat. And how wise you are to iron out all these knotty little problems before you're married.

CONFIDENTIAL TO ETHEL IN BEVERLY HILLS: Don't waste any more time on that bald-headed bachelor. He's the "detergent type" — works fast and leaves no ring.

"Troubled? Write to Abby, Box 6970, Los Angeles, Cal. 90069. For a personal reply, include a stamped, self-addressed envelope."

Ron Fairly  
Best Defense  
For Dodgers

By SAM GOLDAPE

The best defense for the Los Angeles Dodgers turned out to be the best offense.

It came in the person of Ron Fairly, who wears the dirtiest Dodger uniform because he says, "I believe in playing hard. If you have to get down into the dirt to do well, that's the place to be."

Friday night, Walt Alton sent Fairly, whom the Dodgers call their "All-American Boy," into right field for defensive purposes in the eighth inning. The Dodgers were trying to protect a 2-1 lead over the Houston Astros at the time.

The only thing wrong was that after the Astros' Jimmy Wynn came to the plate in the eighth inning there was nothing to defend against—he belted his 33rd homer to tie the score.

Fairly Comes Through

In the Dodger eighth, Fairly untied it when he hit the right-field foul pole with two outs, and Lou Johnson aboard for a Dodger 4-2 victory.

In other National League games, San Francisco, which won't play dead for the Cardinals, beat Chicago 4-3. The New York Mets split with the Cincinnati Reds, losing the opener 3-0 and winning the nightcap 5-4. Philadelphia defeated Atlanta 4-1 and Pittsburgh edged St. Louis 4-3 in 10 innings.
